Signature Update Mailer Going out to All Voters

KISSIMMEE – (April 22, 2021) The Osceola County Supervisor of Elections Office is sending a mailer out to all registered voters to remind them to update their signature of record. This mailer includes a voter registration form that can be mailed back to the Elections Office with the postage pre-paid.

Voters should keep their signature up to date with the Elections Office to make the voting process smoother and to help combat against voter fraud. All voters are encouraged to complete the application form and return it to the Elections Office.

For more information about this program, please contact the Osceola County Supervisor of Elections Office at 407.742.6000.
